**Invitation and Bid – 2010-26**

**INVITATION**

**TO THE VENDOR ADDRESSED:**

Bidders are invited to offer to purchase the items listed herein in accordance with the terms and conditions attached. **Sealed** bids must be in the Office of the Mayor no later than **10 am, Tuesday, May 18<sup>th</sup>, 2010** at which time all bids will be opened and read in the Downstairs Conference Room in City Hall. Successful bidders will receive purchase order, if necessary, within 30 days after the City Council approval. **Unsigned bids will be rejected.**

**City of Conway – Sanitation Department**

**Universal Mobile Refuse Containers (Green)**

**1. General**

1.1 General Description

The Mobile Refuse Container shall be designed to contain the average solid waste material accumulated by a household in one (1) week’s time. The container shall be warranted against material and workmanship defects for no less than 10 years, during which time it will be generally maintenance-free under normal usage conditions. The bidder shall submit a copy of its warranty. The container shall be equipped with suitable wheels, lift bars, handle, and general design so that it can be maneuvered, lifted and dumped by automatic lifting units.

**Make/Model:** \_\_\_\_\_

1.2. Quantity

The successful bidder shall provide **520** containers in accordance with specifications.

1.3 Color

The container body, lid and other plastic components shall be **green** for the 96-gallon carts.

3.3 Weight of the Container	State the fully assembled weight of the container.  _____
3.4 Interior Construction	The interior surface shall be smooth and free from crevices, recesses, projections and other obstructions where refuse could become entrapped or entangled. The interior construction and shape shall assure the free flow of solid waste contents from the container when dumped.
3.5 Exterior Construction	The exterior surface shall be smooth, free of sharp corners, edges, or structures that could be hazardous or harmful.
3.6 Lid/Hinge	<p>The lid shall be securely attached to the container by way of hinge/handle. The lid shall open freely to the 270 degrees position.</p> <p>The lid shall be designed in such manner to ensure that the container will be 100% watertight and shall continuously overlap the container body. The continuous overlapping of the body must prevent rainwater, rodents and birds from intruding into the container.</p>
3.7 Handle	<p>The handle shall be of one molded piece and shall extend in full length. Each gripping area shall provide enough space for gloved hand to be placed.</p> <p>The container must have wind stability rating of no less than 35 mph without falling over. <b><u>Wind tunnel tests performed by independent laboratory shall be submitted with the bid.</u></b></p>
3.8 Wheels/Axle	<p>The container shall be equipped with an axle and two wheels. The wheels and axle shall be designed so as to provide the specified wind stability.</p> <p>The wheels shall consist of a plastic molded and shall be 10 inches in diameter. The wheels shall be fully functional for supporting the specified maximum container weight. Wheel bearing shall be self-lubricating.</p> <p>The axle shall be solid steel, diameter of ¾ inch and plated for corrosion resistant. Wheel shall be designed for (snap-on) assembly. They shall be tamper proof and not easily removed with ordinary tools. Wheel assemblies using bolts, washer, cotter keys, end caps or any combination that require hand tools for assembly shall not be considered.</p>
3.9 Tipping Fulcrum	The container must be provided with adequate foot fulcrum or a tipping leverage. The container must be capable of being

easily transported on a level, sloped or stepped surface in two directions.

#### **4. PERFORMANCE SPECIFICATIONS**

4.1 ANSI Compliance                      The container shall be in full compliance with the American National Standard ANSI Z245.60. **The bidder shall provide a compliance certification that the container(s) provided to the City meet the requirements of this standard.**

4.2 Cart load rating                        The container shall be capable of accommodating a load weighing up to 300 lbs., exclusive of the weight of the container.

4.3 Mobility                                    The container shall be stable and self-balancing in its upright position when either empty or loaded to its minimum design load capacity.

The container shall be capable of easily moved and maneuvered, with an evenly distributed load equal in weight to minimum design capacity on a level sloped or stepped surface in two directions.

The container shall have sufficient stability against winds

4.4 Abrasion protection                    The container shall withstand dragging along streets and driveways as well as the normal abrasion caused by the dumping operation.

4.5 Container pick up points            The container must be capable of being picked up in either a semi-automated or fully automated application.

##### **Semi-Automated:**

The pickup points on the container shall fit all standards domestic lifter designs.

##### **Fully-Automated:**

The container shall be designed in such a manner that it can be engaged by a fully automated grasping arm of either the belted or non-belted design. The container shall be able to withstand squeezing and dropping throughout its expected lifetime without showing the slightest change in its functionality or structural integrity.

#### **5. CONTAINER REPARABILITY**

The container-exposed parts shall be easily repairable.

## **6. MARKINGS**

**DO:** Rinse with hose occasionally  
Keep lid on container

**DO NOT:** Place hot ashes, charcoal or other hot materials,  
paints solvents or flammable liquids in the cart.

Leave on curb for extended period after  
collection.

## **7. Warranty**

All bidders shall include a copy of their warranty with their bids.

## **8. References**

All bidders shall demonstrate their experience in manufacturing containers by furnishing a list of U.S. municipalities using the proposed containers of the size, design and material offered. The list must show at least 3 municipalities, each having a minimum of 10,000 of the proposed containers. The name and telephone number of a contact person at each of the references shall be provided.

## **BID SPECIFICATIONS FOR UNIVERSAL MOBILE REFUSE ROLL CARTS**

### **1. INSTRUCTIONS**

- a. All bids must be submitted on the form provided. The bid must also include the specifications, as written by the City.
- b. Any exceptions from the specification shall be listed on a separate page marked "Exceptions". Supporting documents must be submitted for each exception and included with the "Exceptions" section.
- c. Failure to provide supporting evidence to each exception will nullify the said exception.
- d. Any deviation from the specifications in the actual review of the product bid, and not declared as such, will result in the disqualification of the vendor's bid

### **2. SUBMISSION OF A SAMPLE**

- a. The City may request a free sample of the product offered by the vendor prior to the award. The sample (s) will be kept by the City and will be used in tests conducted by the City or its designated testing agent. You will be notified if a sample is required.
- b. Failure to deliver a sample (s) by the required date shall result in disqualifications of bidder.
- c. The City reserves the right to reject any bid due to failure of the sample during examination. If destructive and non-destructive tests are being conducted, conditions, and results of the tests will be made available to the bidder.

### **3. PRODUCT LITERATURE**

- a. The bidder shall submit product literature with the bid.

### **4. SUPPORTING DOCUMENTS**

- a. The bidder shall include in its bid all evidence and documentation supporting the conformity of the product with the herewith specifications which is not printed on the brochures or catalogues mentioned in paragraph

**City of Conway – Mayor’s Office**  
**Terms & Conditions**  
**[www.cityofconway.org](http://www.cityofconway.org)**  
**Important – Read Carefully**

By Submission of bid, bidder certifies that he has read all terms and conditions and that bid is submitted in accordance therewith.

1. Prices quoted will be considered to be net prices unless otherwise stated by the bidder. Cash discounts requiring payments in less than 30 days will not be considered in making awards.
2. Prices quoted shall be FOB Conway unless otherwise specifically stated on proposal. In either case, delivery charges must be prepaid.
3. All charges including taxes, shipping, freight, and any miscellaneous taxes shall be included in prices quoted, if applicable.
4. Bidder certifies that he will make delivery of items for which he bids within 10 days after receipt of award – ***unless otherwise specifically stated***. Time of delivery in excess of 10 days may be considered a factor in making awards.
5. In case of default of contractor in making deliveries as per contract, the City may procure the articles or services from other sources and hold the contractor responsible for all excess costs occasioned thereby. Bidder’s record as to satisfactory performance under previous contracts will be considered a factor in making awards and retention on bid lists.
6. The City reserves the right to reject any or all bids, in part or in whole and to waive information in bids received.
7. If not otherwise specified, bidder must furnish brand names with catalog number, if any, on items which are offered as “equal.” In all such cases the burden of establishing equality is upon the bidder and failure to do so within a reasonable time may result in rejection. Alternative bids will not be considered unless no other type bid for the item is received.
8. In the case of equal or tie bids, preference will be given to Arkansas bidders. Other than as stated in the first sentence, awards on tie bids will be made at the discretion of the purchasing official. In such cases, “splitting” will be avoided and awards of previous contract(s) to one or more of the bidders will not be a factor.
9. In the event that bidder is unable to furnish all of an item, bids on portions thereof may be considered.
10. Final inspections and acceptance or rejection will be made after delivery. Items rejected because of non-conformance shall be removed and replaced immediately with those which meet specifications, all at the expense of the contractor. In the event that necessity requires the use of non-conforming items, payment therefore will be made at a proper reduction in price which shall be not greater than contractor’s actual cost by purchase, fabrication, manufacture or other production method plus transportation paid to carriers. All costs in connection with testing items that do not meet specifications shall be paid by contractor.
11. Quality, time of performance, probability of performance, and location of bidder will be factors in awards of all contracts.
12. The City reserves the right to purchase any, all or none of the items listed, in combinations thereof that may be in the best interest of the City of Conway.
13. The City reserves the right to change any specifications, terms and/or conditions at any time, with adequate notice in writing to bid invitees of those changes, if any.
14. The City is qualified for “GSA” pricing schedules, ***if available and applicable***.
15. The City reserves the right to waive any informalities or minor defects, but this shall not be construed to indicate waiver of any specification, term and/or condition unless in the best interest of the City in the judgment of the City.

16. **CONSTRUCTION/INSTALLATION:** Any construction work that is worth \$20,000 or more must comply with Arkansas Code Annotated § 22-9-204.
17. **Arkansas Prevailing Wage Law A.C.A. §22-9-301 through 3-15:** The City of Conway, general contractors or any subcontractors is subject to the Arkansas Prevailing Wage Law, A.C.A. **§22-9-301 through 3-15.** The Labor Standards Division enforces laws related to [prevailing wage](#) (PDF). Arkansas's prevailing wage law is commonly referred to as the "little Davis-Bacon Act." The law requires the division to issue a wage determination for each public works project where the cost of all labor and materials exceeds \$75,000. *Exemptions are public school construction; work done for or by any drainage, improvement, or levee district; highway, road, street or bridge construction and maintenance, or related work contracted for or performed by incorporated towns, cities, counties, or the Arkansas Highway Department.* If you need a copy of the Prevailing wage Regulation and Laws that are required; this information is available at [http://www.arkansas.gov/labor/pdf/prevailing\\_wage\\_regs.pdf](http://www.arkansas.gov/labor/pdf/prevailing_wage_regs.pdf).
18. **PROHIBITED INTEREST CONDITION:** No official of the City authorized on behalf of the City to specify, plan, design, negotiate, make, accept or approve, or take part in specifying, planning, negotiating, making, accepting or approving any construction or material purchase contract or any subcontract in connection with any purchase made by the City of Conway shall become directly or indirectly interested personally in the purchase in the purchase or any part thereof.
19. **EQUAL OPPORTUNITY IN EMPLOYMENT:** All qualified bidders will receive consideration without regard to race, color, religion, sex, age, disability or national origin.

**CONWAY**
