

ORDINANCE NO. 0-79-53

AN ORDINANCE AMENDING SECTION 11.04.15 (a) (b) OF THE CONWAY MUNICIPAL CODE: DECLARING AN EMERGENCY AND FOR OTHER PURPOSES.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS:

Section 1. That section 11.04.15 (a) (b) of the Conway Municipal Code is hereby amended to read as follows:

(a) Master electrician.

1. A master electrician shall be defined to include any individual who possesses the necessary qualifications, training and technical knowledge to plan, lay out and supervise the installation, maintenance and extension of electrical conductors and equipment.

2. He shall be a person of not less than twenty-one years of age and a person of good moral character.

3. He must be a graduate electrical engineer from a recognized university or college, with at least one year actual experience installing wires, conductors, and electrical equipment used inside of buildings for the transmission of electrical current for light, heat or power purposes, or,

4. He shall have had at least six years experience working for a licensed electrical contractor, two years of which were as a journeyman installing wires, conductors and electrical equipment used inside of buildings for the transmission of electrical current for light, heat or power purposes. This experience shall be within the last 10 years.

5. Examination fee for master electrician shall be.....\$7.50

Renewal fee for master electrician shall be.....\$2.50

(b) Journeyman electrician.

1. Journeyman electrician shall be defined to include any individual who possesses the necessary qualifications, training, technical knowledge to install, maintain and extend electrical conductors and equipment; further, he shall be capable of doing such work in accordance with plans and specifications furnished him in accordance with standard rules and regulations governing such work.

2. He shall have had at least four years experience working for a licensed electrical contractor installing wires, conductors and electrical equipment used inside buildings for the transmission of electrical current for electrical light, heat or power purposes. This experience shall be within the last 8 years,

3. Examination fee for journeyman electrician shall be.....\$5.00
Renewal fee for journeyman shall be.....\$1.00

Section 2. That all ordinances or parts of ordinances in conflict herewith are repealed to the extent of the conflict.

Section 3. That there is hereby found and declared to be an immediate need for regulation in this area in order to protect the public health, safety, and welfare. It is, therefore, declared that an emergency exists and this Ordinance being necessary for the immediate preservation of the public peace, health and safety shall be in force and effect immediately upon and after its passage.
