

ORDINANCE NO. 86-56

AN ORDINANCE AMENDING ORDINANCE O-76-18 FIXING RATES FOR SERVICES RENDERED BY THE SEWER SYSTEM OF THE CITY OF CONWAY, ARKANSAS: AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CONWAY,  
ARKANSAS:

Section 1. That Ordinance No. O-76-18, Section 1, Paragraph (j) shall be changed and amended as follows:

(j) The monthly charges for each residential and commercial customer shall be determined by applying the following schedule to the customer's average monthly water consumption:

For an average monthly water consumption of less than 3,000 gallons, a monthly charge of \$2.58;

For an average monthly water consumption of not less than 3,000 gallons, but less than 4,000 gallons, a monthly charge of \$3.44;

For an average monthly water consumption of not less than 4,000 gallons, but less than 6,000 gallons, a monthly charge of \$5.16;

For an average monthly water consumption of not less than 6,000 gallons, but less than 9,000 gallons, a monthly charge of \$7.74;

For an average monthly water consumption of not less than 9,000 gallons, but less than 12,000 gallons, a monthly charge of \$10.32;

For an average monthly water consumption of not less than 12,000 gallons, but less than 15,000 gallons, a monthly charge of \$12.90;

For an average monthly water consumption of not less than 15,000 gallons, but less than 18,000 gallons, a monthly charge of \$15.48;

For an average monthly water consumption of not less than 18,000 gallons, but less than 21,000 gallons, a monthly charge of \$18.06;

For an average monthly water consumption of not less than 21,000 gallons, but less than 24,000 gallons, a monthly charge of \$20.64;

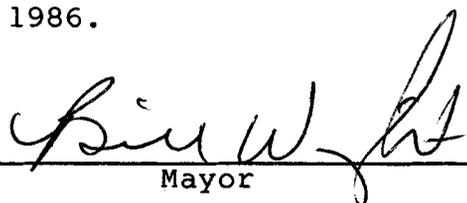

For an average monthly water consumption of not less than 24,000 gallons, but less than 27,000 gallons, a monthly charge of \$23.22;

For an average monthly water consumption of not less than 27,000 gallons, but less than 30,000 gallons, a monthly charge of \$25.80; and

For an average monthly water consumption equal to or greater than 30,000 gallons, a monthly charge of \$.86 per 1,000 gallons.

Section 2. The charges set out in this ordinance shall become effective on all bills rendered after December 1, 1986. Prior to the effective date provided for herein, the existing sewer rates heretofore adopted shall continue in full force and effect.

PASSED: October 14th, \_\_\_\_\_, 1986.
