

RESOLUTION NO. R-85-17

WHEREAS, the City of Conway is in need of a new landfill site; and

WHEREAS, an option to purchase has been obtained on property adjacent to the current landfill; and

WHEREAS, there is a need for soil boring and testing to determine the quality and quantity of soils on the site and existing site; and

WHEREAS, there is a need to obtain such services to make the necessary tests for future requests to the Department of Pollution Control and Ecology for site permitting and cover material.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY ARKANSAS:

That the City Council hereby amends the 1985 budget and appropriates \$5,000 to obtain such services and hereby waives bidding to obtain these services from McClelland Engineering of Little Rock, on a unit cost basis as follows:

Boring per foot \$8.75; \$40 set-up per hole drilled; \$75 in yard mobilization; \$2.75 per mile travel costs; \$50 per hole laboratory testing; \$30 per hour per technician and \$45 per hour for an on-site engineer plus .25 per mile travel cost per technician and/or engineer when test pits are dug by City-owned backhoe and \$600 final report.

PASSED this 25th day of June, 1985.

APPROVED:

Mayor

ATTEST:

City Clerk
