

RESOLUTION NO. R-88-22

WHEREAS, in September 1987, the City of Conway adopted the Conway Arkansas Master Street Plan Year 2005; and

WHEREAS, that Master Street Plan shows a minor arterial along the western edge of the existing city; and

WHEREAS, studies and projections of future travel demands show that this western loop would provide an important connection between State Highway 286, State Highway 60, State Highway 64 and Interstate 40, and would help relieve future congestion in both the eastern and western portions of the City while facilitating the travel south and west for people in the western portion of the City; and

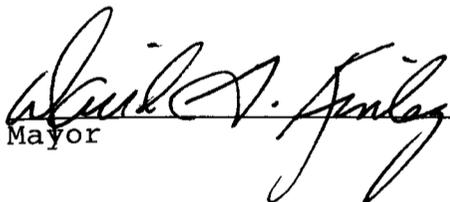

WHEREAS, the initiation of development of this route in an expeditious manner will be to the City's advantage.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS:

That a request for proposal for engineering and planning services needed to properly plan and construct this western loop with a budget of \$10,000 shall be prepared, advertised and issued to interested engineering and planning firms.

PASSED this 23rd day of August, 1988.
