

RESOLUTION R-98-14A

Whereas, the area west of Hogan Lane, north of Tyler Street and south of Cadron Ridge is developing as a golf course community; and

Whereas, the fairways in this golf course community create a significant barrier for the construction of an efficient north-south collector street through this area; and

Whereas, the development of the golf course community will result in significantly less dense residential development than anticipated when the Growth Plan for the City of Conway was adopted in 1996; and

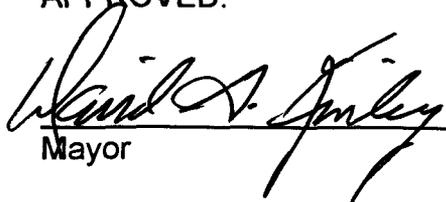

Whereas, the sketch plan for this golf course community shows no fewer than three north-south local streets connecting Tyler Street and Irby Drive extended between Hogan Lane and Padgett Road.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS:

The Growth Plan of the City of Conway adopted by Resolution R-96-9 is hereby amended to remove the requirement for the next future collector street west of Hogan Lane and connecting Tyler Street north to Irby Drive extended. This amendment shall apply to both the General Plan and Master Street Plan elements of this Growth Plan.

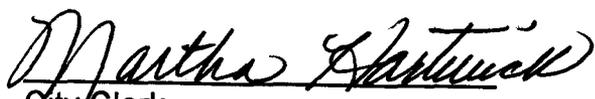

PASSED this 24th day of March, 1998.
